

About

Graduation is a special time for both students and their families – memories they will treasure for a lifetime. As a service to the school, Mangiante Photography will photograph every student who participates in the commencement ceremony at no cost to the school. In fact, as a thank you, we will compile a photo CD with pictures from the graduation day for the school to keep.

Handshake Photo: We take a picture of each student shaking the administrator's hand as he/she receives the diploma.

Quick Cap: Prior to the ceremony, or immediately following the graduate leaving the stage, we will take a picture of every graduate standing in front of American and state flags or a studio backdrop.

Overview: We can take an overview of the whole class, either sitting during the ceremony or prior to the event.

Hooding Ceremony: If you have a Master's program, we will photograph the students receiving their hoods, as they are placed on their shoulders.

We offer numerous packages and print sizes to fit your needs. Complimentary proofs are mailed a few days after the ceremony directly to the graduate's home, and customers may order color enlargements from the proofs they received either online, by phone, fax or mail.
