

About

Mangiante Photography is pleased to offer senior portrait services for high school seniors and their families in our East Memphis studio between June and August. Most schools require a standard photo for each senior for placement in the school yearbook. Cap and gown shots are available for each senior at no additional charge. We also offer casual and outdoor sittings, a great opportunity for students who have not had any professional photographs taken in recent years. Each person photographed will receive a custom proof book about one week after the session to review, select and order portraits of his or her choice.

Mangiante offers an enhanced proofing room complete with a 47" LCD HDTV, comfortable furniture and custom software to provide customers the best view of their portraits. Viewing proofs in this environment allows for custom cropping, a zoom tool to isolate areas that may need retouching and the functionality to compare two photographs side by side on the screen.

Benefits

- Pictures are available to view instantly at the photo session.
- Custom proof books are presented in as little as five days.
- Orders are processed within 24 hours of ordering.
- Finished prints are received in as little as three days.
- Mounting, canvas, retouching and framing services are available.
- We provide a convenient East Memphis location.

Client Testimonials

"Mangiante makes students feel comfortable during their portraits, and that's a very important and often overlooked quality that sets them apart. It's very appealing to students and results in a much better portrait."

Parent

– Mary Mac Carrier

"Mangiante isn't too large and customers aren't just numbers – they make each shoot a personal experience for everyone."

Immaculate Conception Cathedral School

– Betty Buchignani

"Mangiante's staff is efficient, hands-on and communicative – and a pleasure to work with!"

Christian Brothers High School

– Brother Chris Englert

"Mangiante responds well to the ever-changing needs and demands of yearbook photos or last-minute requests for pictures of a ceremony or activity. They are creative in their approach as they continue to seek innovative methods of photography and distribution that are state-of-the-art."

Saint Agnes Academy

– Dr. Joy Maness
