

About

Mangiante Photography offers one of the most innovative sports photography programs anywhere for youth and high school sports, as well as church and independent athletic leagues. All photographs are taken with high-resolution digital cameras and are made available to each customer on our sports Web site, where we feature next-day online proofing and ordering. As a service to our customers, we offer complimentary prints for the school yearbook and coaches and provide a photo CD to the organization with all images for archiving purposes.

Customers handle their order individually, thus streamlining the process and eliminating the need for coaches to collect order forms and money. Organizations can elect to pre-pay for their packages using our order form, or view and order online at no obligation on our Web site, www.mangiantephot.com.

Mangiante Photography features specialized sports products to showcase your child's photo that include:

- Statuettes
- Memory Mates

Client Testimonials

"It's so much fun to watch Mangiante's photographers interact with the kids. They embrace the opportunity and have a knack of getting the best pictures - from serious to goofy team photos!"

Germantown Parks and Recreation

- Kevin Weaver

"Our recreational baseball league has 750 kids spread across 64 teams. Mangiante's staff is able to effectively manage our numbers and produce a quality product in a timely fashion. You have to have experienced photographers for this type of setting!"

Germantown Youth Athletic Association

- Ren Ostrom

"They are willing to go the extra mile. Even when one of our athletes was late to her appointment and Mangiante's staff was walking to the van, they turned around, unpacked equipment and shot her portrait without hesitation."

Second Baptist Church

- Jared Myers
